

An invitation to join Flower City HFH's Carpenters' Club!

The Carpenters' Club is a giving campaign that engages individuals who wish to provide ongoing financial support to Flower City Habitat's work. Membership enables you to make a monthly contribution to Flower City Habitat for Humanity through an automatic debit from a checking account or credit card.

By becoming a member of our Carpenters' Club, you make our growth possible by providing a predictable, constant stream of funds.

Your contribution is made automatically while we're busy building houses, and while you're busy doing other things.

We invite you to join our Carpenters' Club by completing the form below and mailing it in today! We'll contact you to confirm your donation preferences and membership. Please call Teresa Bianchi, Development Manager at 546-1470, X305 if you have questions or would like additional information
